

### **What is a Printed eBook?**

A Printed eBook is a black-and-white, soft-cover printed version of your course eBook.

### **Am I required to purchase a Printed eBook?**

No. Printed eBooks are identical to your course eBook and aren't required; they're simply an option for students who want a more affordable printed textbook in addition to an eBook.

### **How Do I Order a Printed eBook?**

If your course offers a Printed eBook, you'll have the option to order a copy from the Online Bookstore. Delivery can take as many as 10 business days depending on which shipping option you select, but remember, in the meantime you'll still have access to your course eBook and to other course resources via your course shell. To ensure timely delivery of your Printed eBook, place your order as soon as possible. The bookstore for each session will open 4 weeks prior to the first day of classes.

1. Log into <https://bookstore.chamberlain.edu/>
2. Select "New Order"
3. Select the course(s) you wish to review, and click "Continue."
4. If your course offers a Printed eBook, you will see the option to purchase a copy.

If you decline your course eBooks, you will lose the option to purchase the Printed eBook copies of those eBooks.

Note: Your Printed eBooks may be listed in the "Additional Items" screen of the order process, which is separate from the required materials for your course.

### **How Much Does a Printed eBook Cost?**

The cost of a Printed eBook varies, though can be up to 90% lower than standard versions of textbooks. You can pay for your Printed eBook using your Student Account funds, or by using a credit card. Applicable taxes & shipping fees will also be charged, and you may select expedited shipping if needed.

Once your order has been processed, the book will be delivered to the address of your choice. It's important to provide an accurate mailing address that can accept deliveries; unattended shipments are assumed at your own risk.

**May I Order Additional Copies of the Printed eBooks?**

No. Students are only able to order one copy of each available Printed eBook, per course.

**May I return the Printed eBook for a refund if I choose to drop my course or decide I don't want the printed version?**

No. Printed eBooks are non-returnable and non-refundable, so please carefully consider this option before you make a purchase.

**Can I Order Printed eBooks After My Course Has Begun?**

Yes. Students have the option to order Printed eBooks all the way through the end of the session.

Note: You will not be able to purchase a Printed eBook after your course has ended, and that session's bookstore has closed.

**Does every course offer a Printed eBook?**

Not currently. The University's goal is to offer Printed eBooks for as many courses as possible. Although not every course currently offers this convenient option, the list of participating courses and publishers continues to grow. Students should check their courses in the bookstore to determine if a Printed eBook is available.
