

# CARE GEMS Transcript

## ***Introduction***

**Narrator:** Each FACET will present a CARE GEM to inspire you to develop a deep sense of professional identity and commitment to the professional values of a Chamberlain nurse educator. Reflection on CARE GEMS provides opportunity to think about the context, organization, and culture of the learning environment, and your role guiding students as they grow toward professional nursing. CARE GEMS facilitate transformation of vision into action, moving you toward developing influence and inspiration for advancing excellence in teaching-the Chamberlain way!
