

# CHAMBERLAIN PLEDGE

*Chamberlain students and graduates  
are the core of our college, and their success  
is my highest priority:*

**I vow** to keep academic excellence and world class service at the foundation of the work I do.

**I will** model the compassion, integrity, and accountability expected of our students and graduates.

**I commit** to delivering clear, accurate, and timely information with an attitude that reflects a desire to help.

**I promise** to provide the necessary resources, guidance, and encouragement to each student at every step of his or her journey.

**I own** the success of our students and commit to putting their interests first.

**I pledge to empower our students  
to transform healthcare.**

**CHAMBERLAIN**
