The screenshot shows a course grade center for 'DAVIRA AHMED'. On the left is a navigation menu with 'Grades' highlighted. The main area has a filter section with 'Course' set to 'Test' and 'Arrange By' set to 'Due Date'. Below is a table of assignments. The first row, 'Week 1 Information Systems Paper', has a due date of 'Feb 17 by 11:59pm' and a score of '-'. The second row, 'Week 2 Information Systems Paper', has a score of '100' and a paper icon. The third row, 'Week 3 Information Systems Paper', has a score of '75' and a paper icon. The fourth row, 'Week 4 Information Systems Paper', has a score of '100' and a paper icon. The fifth row, 'Week 5 Information Systems Paper', has a score of '100' and a paper icon. The sixth row, 'Week 6 Information Systems Paper', has a score of '100' and a paper icon. On the right, there is a 'Print' button, a 'Total: 75%' indicator, a 'Show All Details' button, and a note: 'Course assignments are not weighted.' Below the note is a checkbox 'Calculate based only on graded assignments' which is checked. A paragraph explains that grades can be based on 'What-If' scores. At the bottom right, there is a vertical bar with green and red segments, and a comment icon next to the first row.
