

Instructions to Access National Incident Management System (NIMS) Training

New Users

Apply for a FEMA Student Identification (SID) number.

Step 1: To register, go to [FEMA's Student Identification System](#).

Step 2: Click on the "Register for a FEMA SID" box.

Step 3: Follow the instructions and provide the necessary information to create your account.

Step 4: You will receive an email with your SID number. You should save this number in a secure location.

All Users

You will be completing a series of three interactive web-based courses. Each course requires 2-4 hours to complete, so be sure to allow plenty of time for each. When you have completed each course, you will take a final exam. You will need your SID number to enroll in each final exam.

Courses

- [IS-100 Introduction to the Incident Command System](#) – 2 hours
- [IS-200.C: Basic Incident Command System for Initial Response](#) 4 hours
- [IS-700.B: An Introduction to the National Incident Management System training](#) 3.5 hours

Instructions

For an overview of each course, click on the links above. From the overview page, click on the Interactive Web Based Course link to take the course.

The screenshot shows the course overview for IS-700.B: An Introduction to the National Incident Management System. At the top, there is a search bar with the text "Enter Keyword(s) or Course Code" and a "Search IS" button. Below the search bar is a navigation menu with links: "IS Home", "IS Course List", "Register for a FEMA SID", "Critical Infrastructure Security and Resilience", "Curriculum" (highlighted with a plus sign), and "Frequently Asked Questions". The main content area is divided into sections: "Course Date" (6/25/2018), "Course Overview" (a paragraph describing the course), "Course Objectives" (a list of two objectives), "TAKE THIS COURSE" (with a link to "Interactive Web Based Course" and a green arrow pointing to it), "CLASSROOM MATERIALS" (a paragraph about the classroom version), and "TAKE FINAL EXAM" (a paragraph about the exam requirements and a link to "Take Final Exam Online").

Use the arrows at the bottom of the page to advance through the lessons. You may want to download the course material and take notes as you progress through the lessons.

Course Introduction: IS-700.b An Introduction to the National Incident Management System

This course provides training on and resources for personnel who require a basic understanding of the National Incident Management System (NIMS).

The training is comprised of the following lessons:

- NIMS Introduction
- Lesson 1: Fundamentals and Concepts of NIMS
- Lesson 2: NIMS Resource Management
- Lesson 3: NIMS Management Characteristics
- Lesson 4: Incident Command System (ICS)
- Lesson 5: Emergency Operations Centers (EOC)
- Lesson 6: Other NIMS Structures and Interconnectivity
- Lesson 7: Communications and Information Management
- Lesson 8: Course Summary

This course should take approximately 3.5 hours to complete.

To help you keep track of your place within the course, the current lesson title will be displayed in the center of each screen. In addition, a Lesson List will be presented at the beginning and end of each lesson.

Lesson List	
➔	NIMS Introduction
•	Fundamentals and Concepts of NIMS
•	NIMS Resource Management
•	NIMS Management Characteristics
•	Incident Command System (ICS)
•	Emergency Operations Centers (EOC)
•	Other NIMS Structures and Interconnectivity
•	Communications and Information Management
•	Course Summary

When you have completed the course, go back to the overview page and click on Take Final Exam Online.

IS-700.B: An Introduction to the National Incident Management System

Enter Keyword(s) or Course Code

IS Home	Course Date 6/25/2018	TAKE THIS COURSE Interactive Web Based Course
IS Course List	Course Overview This course provides an overview of the National Incident Management System (NIMS). The National Incident Management System defines the comprehensive approach guiding the whole community - all levels of government, nongovernmental organizations (NGO), and the private sector - to work together seamlessly to prevent, protect against, mitigate, respond to, and recover from the effects of incidents. The course provides learners with a basic understanding of NIMS concepts, principles, and components.	CLASSROOM MATERIALS The classroom version of IS-700.b is under revision and will be released as soon as possible.
Register for a FEMA SID	Course Objectives: At the end of this course, students will be able to: <ul style="list-style-type: none">• Describe and identify the key concepts, principles, scope, and applicability underlying NIMS.• Describe activities and methods for managing resources.• Describe the NIMS Management Characteristics.• Identify and describe Incident Command System (ICS) organizational structures.• Explain Emergency Operations Center (EOC) functions, common models for staff organization, and activation levels.	TAKE FINAL EXAM Please note that the IS Program now requires a FEMA SID to be used instead of your SSN. If you do not have a SID, register for one here . Take Final Exam Online
Critical Infrastructure Security and Resilience		NOTICES Test questions are scrambled to protect test integrity
Curriculum		
Frequently Asked Questions		

You will need your SID number to register for the exam. Unless you are a FEMA employee, ignore the instructions for using a PIV card. Each exam should take approximately ½ hour to complete.

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

Final Exam Notice

OMB Number 1660-0046
FEMA Form 064-0-9
Expiration date 03/31/2017

PUBLIC BURDEN DISCLOSURE NOTICE

Public reporting burden for this data collection is estimated to average .5 hours per response for the forms completed electronically or .75 hours for forms manually completed. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting this form. You are not required to respond to this collection of information unless a valid OMB control number is displayed on this form. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 1800 South Bell Street, Arlington, VA 20598-3005, Paperwork Reduction Project (1660-0046) **NOTE: Do not send your completed form to this address.**

Notice:
As of April 1, 2015, the Emergency Management Institute (EMI) no longer accepts Social Security Numbers (SSN) for exam submission. FEMA has implemented the use of a Student Identification (SID) number. You will be required to obtain and use the SID to take the exam. If you do not yet have a SID, [follow these steps to register one](#).

If you have already registered, enter your SID and Last Name below.

* Student Identification (SID) Number:

* Last Name (Use the last name that you used when signing up for your SID):

I agree that completion of this examination will be an individual effort.

need to use Internet Explorer 9 or greater.

Do you have a FEMA issued PIV card?
If so, use your card to access the exam. You must have a FEMA SID account and your FEMA SID must be associated with your PIV card. If you do not have a FEMA SID, follow the instructions at <https://cdo.dhs.gov/femasid/#faq> to create a new FEMA SID account using your FEMA-issued PIV card or associate your FEMA-issued PIV card with an existing FEMA SID account.

[Having trouble logging in with your PIV Card? Click on this link for some helpful tips.](#)

I agree that completion of this examination will be an individual effort.

Once you have successfully completed the final exam, you will receive an email with a link to your Certificate of Completion. To access your Certificate of Completion, select the link provided in the email. If you cannot select the link, copy and paste the link into your address line in your internet browser.

Adobe Reader is required to open the certificate. If you do not have this software, it can be obtained as a free download at the [Adobe website](#). To print this certificate, select the "Print" icon on the PDF Menu displayed in the new PDF window. To save this certificate, select the "Save" icon on the PDF Menu displayed in the new PDF window. When you select this icon, a dialog box will appear where you can specify the location on your computer to save the file.

Download and save the Certificate of Completion for each of the three courses with a file name: Last NameFirst Name_ICSCOURSE Certificate Completion (ex. StudentSally_ICS100 Certificate Completion).
